Bhargava joins OneSpan from Immersive Labs, a private SaaS company offering people-centric cyber resilience. As Vice President of Global Customer Experience, Bhargava led Immersive Lab's global customer success organization and was responsible for the end-to-end customer journey. Prior to Immersive Labs, she served as Head of Global Customer Success at BitSight Technologies, a cyber risk and security ratings company. At BitSight, she created the company's Customer Success organization and played an instrumental role in helping drive revenue from early stage to \$80 million. Prior to joining BitSight, Bhargava was Director of Customer Success Management and Customer Support at Actifio Inc., an enterprise cloud data management company. Earlier in her career, Bhargava held product strategy positions at Oracle and EMC<sup>2</sup> and an engineering role at Motorola Inc.

"OneSpan's mission is very clear, when we say focus on the customer, it means that our customers are at the forefront of everything we do—to accelerate our customers' digital transformations by enabling secure, compliant and refreshingly easy digital customer agreements and transactions," said OneSpan President and CEO, Matthew Moynahan. "Stuti will be an invaluable asset to the OneSpan leadership team as we ensure every customer realizes maximum value from their investment in OneSpan's cloud-based security solutions. I look forward to her leadership contributions as we continue building a global digital agreements security company that matters to customers."
