INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Participants of AOS-Hagenuk B.V.:

Introduction

We have audited the accompanying Balance Sheets of AOS-Hagenuk B.V. (the "Company") as of December 31, 2002, 2003 and 2004, and the related Statements of Operations, Cash Flows and Shareholders' equity for the years ended December 31, 2002, 2003 and 2004.

Scope

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements present fairly, in all material aspects, the financial position of the Company as of December 31, 2002, 2003 and 2004, and the results of its operations and its cash flows for each of the year ended December 31, 2002, 2003 and 2004, in conformity with accounting principles generally accepted in the United States of America.
